10,000+ Trees

Indigenous trees planted across Johannesburg, restoring urban canopies.

500+ Volunteers

Active community members driving our mission every week.

10 Schools

Educational programmes on environmental stewardship.

3 Veg Gardens

Community vegetable gardens providing fresh produce.

Our vision: green, sustainable cities for all

Through education, action, and advocacy, we create resilient green spaces.

Our Impact

Real numbers, real change — see how we're transforming communities.

10,240

trees planted

512
